About Titus Foundation Inc. and Paula Titus Golf Outing

The Titus Foundation Inc. is a 501c3 established to aid young people and place-based initiatives in underserved communities. The primary focus areas are scholarships and academic support, athletics and recreation, and employment and training. Our Mission is to nurture the youth of today while lighting the pathways for the leaders of tomorrow.

The 2024 Paula Titus Golf Outing is the signature event of the Titus Foundation. It is held in honor of the late matriarch of the Titus family. Paula was a fierce believer in supporting young people in all ways available. She was a confidant, a provider of meals, an advocate, and a mother figure for decades of students at University of Massachusetts Boston. The 2022 and 2023 Golf Outings were highly successful, with your help we are going to do even better in 2024.

The foundation has made a minimum five-year commitment to the golf outing with the goal of raising more than \$500,000 for the endowed Paula Titus Scholarship Fund to support students enrolled in the New Balance Sports Leadership and Administration Program at University of Massachusetts Boston. This endowed fund will support hundreds of students for many, many years to come.

We appreciate your support which is critical to Foundation's mission.

"Nurturing the youth of today, while lighting the pathways for the leaders of tomorrow".

With Gratitude and Warm regards

Paula Titus served as a mother figure to the hundreds of men's basketball players who stepped on the court for the Beacons during the 40+ seasons that her husband was the UMass Boston head coach. Through generous donations from Larry Smith and the Small College Basketball Hall of Fame, her family, and countless friends, Paula's legacy of kindness, perseverance, and mentorship will live on through this memorial scholarship.
